Pomona College Commencement 2013
May 19, 2013

Friends, faculty, staff, distinguished guests, distinguished people who have been here all along
good morning.

~~This is an important day. This is a day that will be remembered for a long time. It is a day that will be remembered for a long time. It is a day that will be remembered for a long time.~~

everyone can be so chill

all the time.

We pride ourselves on being chill, but can we be real for a second? Sometimes being chill is the most useful things my mom ever told me was this we always judge our insides by
